TERMS OF USE - ICSI - « Bond Jamesbond de Hay »

The frozen semen is made available by GWH srl and BDHorse srl under the following conditions :

- The seller hereby authorises the owner of the mare to use the frozen semen for an ICSI session with eggs from the mare named below, fertilised for the purpose of producing embryo.
 - Mare :
 - UELN :
- The semen is and will remain at all times the property of the seller and will be stored by 'Avantea' under its responsibility.
- The ICSI procedure can only take place at their facility in Cremona, Italy. All 'Avantea' costs have to be paid by the buyer.
- Authorisation to use the frozen sperm for a session will be granted to 'Avantea' after payment of the invoice and receipt by the seller of the completed and signed agreement.
- No additional payment is required on the basis of the number of embryos produced.
- If no embryos are produced, there is no right to any compensation.
- In the event of non-compliance with any of the conditions mentioned in this contract, a fixed fine of 5.000 € will be imposed.
- Any fraudulent use of semen will be prosecuted. Any dispute directly or indirectly relating to our contractual relations with the buyer shall fall within the exclusive jurisdiction of the Courts of Namur
